WESTAR
EST 1986

DESIGNED TO FIT
OEM QUALITY & STANDARDS

Westar has better.

Westar introduces 545 part numbers.

We're manufactures, who became distributors.

WESTAR IS FOUNDED BY A TEAM OF MANUFACTURERS WHO FOCUSED ON OEM QUALITY ENGINEERING IN THE AUTOMOTIVE PARTS INDUSTRY.

#

Thank you for choosing Westar Distribution, LLC for your Engine, Transmission, and Center Support Mount needs. Westar has been instilling customer confidence and satisfaction for over 30 years.

Our History:

- 1986 - Westar incorporated in an initial warehouse 1,500 square feet, in Columbia, MD.
- 1989 - Westar moved into a 5,000 square foot facility in Jessup, MD
- 1992 – Westar expanded into a 19,000 square foot facility in Laurel, MD
- 2000 – Westar grew into a 60,000 square foot facility back in Jessup, MD
- 2011 – We relocated into our current 187,000 square foot facility in Columbia, MD

Westar incorporated a solid business model to ensure that any customer that aligns with Westar grows with us and becomes successful.

1. **Branding** – A whole new marketing effort was set up to allow Westar's customers to be informed about what's going on with our engine mounts and to make sure they are ahead of the game.

2. **Quality** – Amazing Product Quality reduces the customer's returns and establishes a positive reputation in the market. All of our factories are required to obtain and adhere to the stringent requirements of such industry standards as ISO, QS, and TS.

3. **Coverage** – Great coverage and research allows Westar to ensure our customers have legitimate full line coverage of engine mounts along with the capability to make sure they are always stocking the right parts.

4. **Price** – Competitive Pricing allows Westar's customers to grow and compete at the highest level.

5. **Performance** – Delivering amazing fill rate on all orders placed with Westar at amazing delivery time!

LIMITED WARRANTY

Any product sold by Westar Distribution, LLC, is warranted to be free from defects in material and workmanship for a period of 12 months or 12,000 miles, whichever comes first. Westar will not warrant any product that is not used in strict accordance with the manufacturer's instructions for use, operation and installation. This limited warranty does not apply to any product which has been misused, altered, or used under excessive operating conditions beyond the manufacturer's instructions.

The liability of Westar Distribution, LLC is limited solely to the repair or replacement of defective products. Westar cannot be held responsible for the cost of any related parts, labor claims, or incidental expenses. Furthermore, Westar cannot be held responsible for any consequential damage, personal injuries or damage to property.

Westar Distribution, LLC will not be held responsible for any transportation costs incurred due to the return of parts to Westar or the return of replacement products to the buyer. Finally, Westar cannot be held liable for any damages, losses, or delays of products due to war, government restrictions or restraints, strikes, material shortage beyond the control of Westar Distribution, LLC, or acts of God.

INSTALLATION INSTRUCTIONS

Before installing any part, it is most important to check all inserts, rods and bearings to be sure that they are properly seated and move as per manufacturer specifications. Other causes for early or unusual failure of a part can be eliminated by a close inspection for other worn or damaged parts.

IMPORTANT NOTICE

While the utmost care was used in compiling the information in this catalog, we cannot assume any responsibility for errors, omissions, or the inaccuracy in data supplied to us. All parts shown within are intended as replacement parts. The use of any manufacturer's trademarks, part number or terminology is for the sole purpose of the users of this catalog to select the correct replacement part.
