2019 CATALOG

This combined catalog incorporates all suspension related products that Westar manufactures, including:

Air Springs:

Our air springs are manufactured and tested to guarantee performance exceeding the OE design. Westar offers a LIFETIME warranty on these units. Packed and sold 1 per box.

Air Struts:

Westar Air Struts are packed individually. Our catalog calls for either 1 or 2 per car. In some applications the right side is different from the left side. Westar is backing these with a LIFETIME warranty.

Compressor – Dryer Assembly:

Assembled and ready to install. All units come with vibration dampeners and all necessary brackets. Efficient design guarantees minimal amperage draw.

Dryers:

Dryers are manufactured to meet or exceed the demands on the system. ALWAYS REPLACE THE DRYER WHENEVER THE SYSTEM IS OPENED TO THE ATMOSPHERE TO PREVENT MOISTURE DAMAGE.

Solenoids:

Air spring solenoids are an exact fit to the Air Spring. They come with a complete O-Ring seal kit.

Conversion Kits:

Conversion kits are sometimes desired to change the vehicle to a conventional coil spring suspension. For those car owners, Westar offers a kit to do just that. The kits include all parts necessary to do the job right and come with a complete set of instructions. Kits are sold either by axle set or complete 4 wheel set. Some kits include an optional set of shock absorbers to replace the tired old shocks that are on the car. All shocks and struts are manufactured in the US by a leading Ride Control company.

LIMITED WARRANTY

Any product sold by Westar Distribution, LLC, is warranted to be free from defects in material and workmanship for a period of 12 months or 12,000 miles, whichever comes first. Westar will not warrant any product that is not used in strict accordance with the manufacturer's instructions for use, operation and installation. This limited warranty does not apply to any product which has been misused, altered, or used under excessive operating conditions beyond the manufacturer's instructions.

The liability of Westar Distribution, LLC is limited solely to the repair or replacement of defective products. Westar cannot be held responsible for the cost of any related parts, labor claims, or incidental expenses. Furthermore, Westar cannot be held responsible for any consequential damage, personal injuries or damage to property.

Westar Distribution, LLC will not be held responsible for any transportation costs incurred due to the return of parts to Westar or the return of replacement products to the buyer. Finally, Westar cannot be held liable for any damages, losses, or delays of products due to war, government restrictions or restraints, strikes, material shortage beyond the control of Westar Distribution, LLC, or acts of God.

INSTALLATION INSTRUCTIONS

Before installing any part, it is most important to check all inserts, rods and bearings to be sure that they are properly seated and move as per manufacturer specifications. Other causes for early or unusual failure of a part can be eliminated by a close inspection for other worn or damaged parts.

IMPORTANT NOTICE

While the utmost care was used in compiling the information in this catalog, we cannot assume any responsibility for errors, omissions, or the inaccuracy in data supplied to us. All parts shown within are intended as replacement parts. The use of any manufacturer's trademarks, part number or terminology is for the sole purpose of the users of this catalog to select the correct replacement part.
