| Air Suspension | Coil Spring Conversion Kit | Strut Mount |

DOMESTIC & IMPORT CARS & TRUCKS

This combined catalog incorporates all suspension related products that Westar manufactures, including:

Air Springs:

Our air springs are manufactured and tested to guarantee performance exceeding the OE design. Westar offers a 12 month /12,000 mile warranty on these units. Packed and sold 1 per box.

Air Struts:

Westar Air Struts are packed individually. Our catalog calls for either 1 or 2 per car. In some applications the right side is different from the left side. Westar is backing these with a 12 month/12,000 mile warranty.

Compressor – Dryer Assembly:

Assembled and ready to install. All units come with vibration dampeners and all necessary brackets. Efficient design guarantees minimal amperage draw.

Dryers:

Dryers are manufactured to meet or exceed the demands on the system. ALWAYS REPLACE THE DRYER WHENEVER THE SYSTEM IS OPENED TO THE ATMOSPHERE TO PREVENT MOISTURE DAMAGE.

Solenoids:

Air spring solenoids are an exact fit to the Air Spring. They come with a complete O-Ring seal kit.

Conversion Kits:

Conversion kits are sometimes desired to change the vehicle to a conventional coil spring suspension. For those car owners, Westar offers a kit to do just that. The kits include all parts necessary to do the job right and come with a complete set of instructions. Kits are sold either by axle set or complete 4 wheel set. Some kits include an optional set of shock absorbers to replace the tired old shocks that are on the car.
